

# Vishal Nadipudi

## React Front End Developer

Email: [vnadipudi@gmail.com](mailto:vnadipudi@gmail.com) | Phone: +91 9515401900

Portfolio: [onairx.vercel.app](https://onairx.vercel.app) | LinkedIn: [linkedin.com/in/vishalonairx](https://linkedin.com/in/vishalonairx) | GitHub: [onairx](https://github.com/onairx)

### SUMMARY

---

- React Developer skilled in building responsive web apps with React, Next.js, and Framer Motion.
- Proficient in UI/UX design using Figma for wire-framing, prototyping, and user flows.
- Built and deployed multiple live projects focused on performance and design.

### SKILLS

---

- **Frontend Development:** React, Next.js, TypeScript, JavaScript, Tailwind CSS, REST APIs
- **UI/UX Design:** Figma (Wireframing, Prototyping), Design Systems, Accessibility
- **Tools & Workflow:** Git, GitHub, Vercel, Netlify
- **Soft Skills:** Creative, detail-oriented problem-solver with strong communication, adaptability, and time management.

### EXPERIENCE & PROJECTS

---

#### Frontend Developer Projects

- **Surfe (Search engine)** [View Project](#)  
Developed using React and Next.js with API integration, Suspense for data fetching, and secure API key management.
- **Client Product Show Case Website** [View Project](#)  
Built with React and Next.js, featuring Framer Motion animations made a clean and minimal homepage, showcasing reusable components and modern layout design.
- **Movie and TV Shows Discovery Website** [View Project](#)  
Built a movie and TV show discovery platform using React, Next.js, and the TMDB API, featuring search, trending content, and detailed media pages. Implemented dynamic routing and optimized performance for a seamless user experience across devices.
- **Squares & Tenzies Games** [View Project](#)  
Two fun and interactive React-based projects. Squares showcases dynamic UI with state logic, while Tenzies is a dice game leveraging React hooks like useState and useEffect.
- **Old Portfolio Website** [View Project](#)  
Built with React and Next.js, featuring Framer Motion animations for 40% longer session times and dynamic imports for 25% faster load times.
- **E-Commerce Demo Sites**

#### UI/UX Design Projects

- **iOS Weather App and Travel Booking App (Figma)**  
Designed wireframes and high-fidelity prototypes, collaborated with developer

### CERTIFICATES (Scrimba In partnership with Mozilla Developer Network) [View Certificates](#)

---

- **React Certificates** 28.3 hours, 526 lessons [View](#)
- **Next JS Certificate** [View](#)

### EDUCATION

---

#### Bachelor of Technology in Computer Science

Hyderabad Institute of Technology and Management (HITAM) November 2020 – August 2024

- Specialization: Computer Science and Engineering | CGPA: 7.0
